

**Hermanos/Familia – Frijoleros, SpanLings, and MK's, Beanerdom Et Al – Your Beaner Reunion Committee 2012 (BR2012) of the Spanish Flyers Association cordially invites you to BR 2012 to be held in San Antonio, Texas on October 25-28, 2012.**

**So, mark your calendars and set aside October 25<sup>th</sup> to 28<sup>th</sup> as the time to be in San Anton. For those of you who wanted to have BR-12 held in good ole Offutt, we the FCs apologize but we considered it thoroughly and decided to go back to the base where the most Beaners reside, in SAT. Why? Because of the momentous occasion of our 50<sup>th</sup> Anniversary. Yes, one half-century since the formation our group brought about by the Cuban Missile Crisis of October 1962. If you do not know that part of history, I assure you, it is a MUST-read . Much was waged and the entire planet could have been lost but a group of pioneer Beaners and Honorary Beaners did their parts and the disaster of a nuclear war was just narrowly avoided. Years later, when Fidel Castro, the snake who created the crisis, became a non-player in the world of communist dictators and his influence faded away, many of us called it VICTORY, SWEET VICTORY -- F&%K COMMUNISM!**

**If you have been following the BeanerOpscomm chatter lately, you must know the great half-century of adventures our Beaners have lived in places from Panama, to Grenada, to Vietnam, to Iraq, and to proverbial hell and back. Yes. and some of our Beaners have given their lives in faithful service to our country. We pause to salute those great Americans. At any rate, that was the main reason to have SAT host this reunion, that we wanted the widest possible attendance and we, the FCs, are hard at work making plans for a BR-12 never-to-be-forgotten. Some of our brethren plan to travel from as far as Bogota and Alaska for one fantastic weekend. How far are you willing to travel to be at what promises to be the greatest show ever in Beanerland. But no matter how far or how close, make the sacrifice for one weekend and do not miss this the Biggest Beaner Ball of All! Details of all our activities, hotels and restaurants will follow shortly. SEE YOUR OLDEST OF FRIENDS - BE THERE!**
